N2011

20" LCD TV
WITH HIGH CONTRAST

Entertainment that fits

The ViewSonic® N2011 20" LCD TV expands your entertainment to the comfort of any room in your home. High brightness and contrast ratios deliver BRILLIANT IMAGES from your favourite video or TV show, or while playing your favourite video game. The N2011 easily fits your lifestyle with its INTEGRATED TV TUNER AND PLUG-AND-PLAY CONNECTIONS. The wall-mountable, slim, flat-screen display with integrated dual 5-watt speakers is ideal for small spaces like the bedroom, kitchen or garage. Enjoy a complete visual entertainment experience with the bright, versatile N2011 LCD TV.

COMPLETE ENTERTAINMENT IN LESS SPACE

> **Space-saving design brings TV into any room of your home**
The elegant, ultra-slim panel design is ideal for small spaces like on kitchen counters, on the garage workbench, or in the campervan.

> **Advanced screen technology brings images to life**
Advanced screen technology and fast 12ms video response time bring TV, video, movies and games to life with bright, saturated colour.

> **Vivid colours and crisp images come alive**
450 cd/m^2 of brightness (typ.) and a high 500:1 contrast ratio (typ.) deliver vivid colours and sharp life-like images.

> **Built-in TV tuner plus plug-and-play connections add versatility**
Easily connect TV and video entertainment devices such as DVD players, game consoles, VCRs and camcorders.

> **Multiple video input options**
SCART, component, composite and S-video connections and audio connections let you enjoy video entertainment from a variety of sources.

> **Stereo audio built-in**
Enjoy full stereo sound on your desktop or counter with two built-in 5-watt speakers.
